I looked it
up online—

It's really easy
to teach
yourself!

and I was
thinking—
you write
so good

We should
start a
band!

What would
I play?

whatever you
want! we can
be, like,
punk hipsters!
pleeeeeease,
Tam?

okay,
okay
hahaha

this is
what college
is for,
right?

there's still an underlying fear

that i'm just pretending or making it up

or like i'm fooling everyone, even myself

somedays it doesn't feel real

r u busy

i want 2 cut my hair tonite

sure!! be there in a min >:DD

Break's coming up... have you told your folks?

not yet.

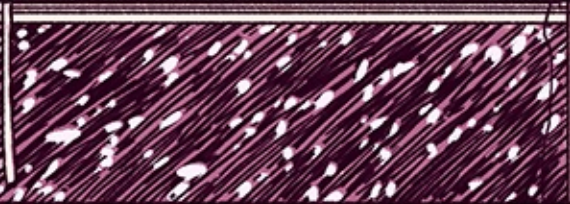

you gonna?

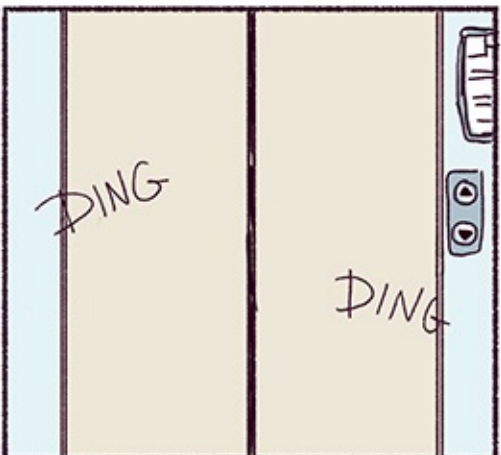

I mean I want to.

and it's not like they won't notice, so...

yeah.
